Re: Al's Asphalt Paving Co., Inc.

To whom it may concern:

Al's Asphalt has worked for the City of Taylor for a number of years. Their performance and professionalism has always been above standards. I am confident that you will also find Al's Asphalt to be a favorable contractor to work with.

Listed below are some examples of projects performed by Al's Asphalt:

- Goddard and Pardee - 2" overlay \$2.1 million
- Trolley Ind. Drive - concrete panel replacement w/2" cap \$450,000
- Golf Course Parking Lot - pulverize w/new 4" asphalt pavement \$300,000
- Brest Road - 4" new asphalt pavement on existing gravel road \$ 88,000

Should you have any questions, please fee free to contact me at 734-374-1473.

Sincerely,

Craig Lyon, Director/City Eng.  
Water & Sewer Department
